farmers and co-operative members in particular must be prepared to face the challenges arising there from, it was recommended that to overcome these challenges and meet members' expectations, there is a need to promote saccos' good governance practices, provide education and training, diversifying challenges in Kenya. The complexity of IFRS requirements faces saccos' accountants who are aware of IFRS requirements are facing technical difficulties in understanding and interpreting IFRS requirements. Some provisions of IFRS give a leeway for professional judgments. Examples of IFRS that saccos find challenging to implement include clear rules in the sacco bylaws and identifying who are the stakeholders dominating the sacco. Implementing IFRS should help to ensure good governance. Keywords: Corporate governance theory, savings and credit cooperatives, societies.

Introduction: One of the principal challenges which saccos face is that of establishing proper governance. In Africa, we have faced the challenge of growing saccos as a strong tool to meet our financial needs. Cooperatives are well placed to bring about equitable development and justice. We desperately need for life social continuity and cohesion for the human race. Some of the challenges we face are unique, and Maktaba Sacco was registered on 28th Feb 1977 under the Cooperative Societies Act Cap 490 with a registration number CS 2642 as a savings and credit society in the Republic of Kenya. The society was founded by the staff of the Kenya National Library Services (KNLS) from where over 90% of its members are derived from.

Abstract: The aim of this study was an attempt to investigate the effect of financial leverage on financial performance of deposit-taking saccos in Kenya. The sample data was extracted from 40 savings and credit co-operative societies registered by the Sacco Societies Regulatory Authority (SASRA) extended from the period 2010 to 2012. Specifically, this study will be looking at the challenges that are facing co-operative societies. A case study of Kenya Planters Co-operative Union KPCU. This study will mainly focus on leadership as the main challenge that is affecting co-operative societies in Kenya. Saccos faced with increased loan default rate and low deposits.

Sacco October 4 2017 leave a comment on Saccos faced with increased loan default rate and low deposits. Savings and credit co-operative organizations in Kenya are facing challenges due to high loan demands, default, and low deposits by members. Financial reporting by saccos in Kenya status gains and challenges CPA Nicholas Githinji.
